

Kelso Class - November 25

Dear Parents and Carers,

Welcome back, I hope the children had a good rest and are ready for the new term.

P.E

This term P.E will still be on a Monday and will have swimming on a Friday the children need to make sure that they always have the appropriate kit in school.

Reading

We have made a good start to the year and the majority of children are reading at least three times a week. The children have passed nearly 100 accelerated quizzes with some children having read more than 100,000 words. I can't emphasise the importance of reading at home as a child's reading skills are important to their success in school as they will allow them to access the breadth of the curriculum and improve their communication and language skills. In addition, reading can be a fun and imaginative time for children, which opens doors to all kinds of new worlds for them.

Non- Core subjects

This term Ramsey's theme will be The Americas, where we will be looking at why settlements are located in certain areas and comparing the industries of major cities to our local area In English we will start by looking at the text Treasure Island, the children will have the opportunity to analyse the language used as well as the opportunity to letters, descriptions and a narrative. In Science they will learn about the circulatory system and how it is important to keep it healthy.

Homework

This year the children will get English and Maths homework on a Friday and will be due in the following Wednesday. If there are any problems with this, please don't hesitate to contact me.

Class Dojo

The children did really well at collecting Dojo points last year. The children will continue to gain Dojo points for positive behaviours, but also lose them for negative behaviours in line with the school behaviour policy.

Kind Regards

Mr Cook, Miss Bateman and Miss Chandler
