

School Council Committee
Meeting at 1:30 pm – 2:00 pm on Friday 10th March 2023

Attendees

Ella, Alex, Toby, Tabi, Poppy, Tommy, Taylor, Francesco, Harriet, Esme, Emilia, Maisie, Archie, Hettie, Florence and Mrs Collett

Agenda Items

Red Nose Day

Teachers will select the top three funniest jokes per class. The School Council will then lead a 10-minute joke-a-thon with sweets for each entry, cream pies for those who are willing and Taylor and Toby will be the compère. Poppy volunteered to possibly bring in some components of her drum kit, to add a drum roll and a finisher for each joke - we can look at the drums in school if this isn't feasible.

Easter Egg Hunt

The School Council raised £66.56 from the Valentine cake sale. They have also received a very generous donation of £100 from Enterprise Club. The £166.56 alongside existing School Council funds has allowed the committee to buy crème eggs or vegan chocolate for every child. The School Council was organised to organise an Easter egg hunt on Wednesday 29th March. They will take photos of where they have hidden the eggs in case any child needs help. The allocated school councillors will hide the correct number of eggs per class 20 minutes before the hunt.

Suggestions/Comments:

- Children to be supervised using the library and the library monitors are frustrated at children incorrectly returning books, mislabelling books and removing posters
- Children not putting coins in the boys' toilet cistern
- New football goals – to check with Mr Cook
- Playground Leaders to balance out the equipment bags
- New outdoor bin
