

## Welcome to Crowland Bubble! Summer Term 2020

Welcome back to school!

Whilst we realise that everything may be a little different we will endeavour to keep as many familiar routines as possible, for both children and parents alike.

Mrs Clare and Mr. Mountain will be teaching this term supported by Ms. Bateman.

Crowland Bubble are timetabled to arrive at their usual door at 8.45.

In order to follow all the guidelines we have been given, we have a short window of time to bring each bubble of children into the classroom.

Please help us by ensuring that arrival times are adhered to.

Children's belongings will be kept in their workspace at all times and not hung in the corridors.

There will be no fruit delivery for snacks this term so, if your child would like one, please provide a [healthy snack](#) for morning break.

### **Reading and Literacy**

We are reading, and writing, in the style of traditional tales, with new characters and alternative endings.

### **Maths**

In mathematics we are looking at the 4 operations + - x /, 2D shapes and fractions.

### **Science**

Our science topic this term is plant life

### **RE**

This term we will be looking at Christianity and prayer.

### **P.E**

Miss McHamilton will be teaching PE on a Monday and Friday. Children need to attend school in their PE kit on these days.

This will lessen the amount of movement within the classroom.

### **Topic**

We are learning about maps and places worldwide.

### **Homework**

There will be no homework sent home this term.

Please do not hesitate to contact us via DoJo with regards to any issues or concerns you may have.

Many Thanks,  
Mrs Clare, Mrs Mountain and Ms Bateman
