# Welcome to Sempringham Bubble!

## Summer Term 2

Dear Parent/Carer,

Welcome back to a lot of you after the lockdown break. I am extremely excited to be teaching your children this term, their last term at primary school for many. It may be a worrying time for many, due to the circumstance we are in but be assured we have all the safety measuring in place and aim to provided the best education we can.

Myself, Mr Magee and Mrs Preval will be there to support you and your child in anyway we can. Please come and talk to us if there are any problems.

### **Topic – Parliament and Power**

Well we started this topic with a bang, the children had a blast on their WOW day where they enjoyed 4 different activities.

How did parliament start? How long have we had a parliament? How has the most power? Why is it so important? These are just a few of the questions we might be answering during this term in our History topic. In our Design and Technology lessons we will be learning all about food technology and product development. Specifically testing and designing a breakfast bar and its packaging.

### **Science**

During science lessons this term we will be learning all about light, how it is made, how it travels and other interesting facts.

### **Mathematics**

This term in mathematics we will be looking at consolidating our knowledge and ensure we can use all our skills in reasoning and problem solving.

### **English**

This term we will be focusing on the classic story 'Watership Down.' We will be focusing on the language used in the book especially when describing the characters and the setting. We will write story settings, character descriptions and look at how the story develops. We will also be looking at communities and how they are structured.

### **Reading**

We have a fantastic class of readers and this is due to your hard work so please continue to ensure your child brings in their current reading book to school every day. Please continue to encourage your child to read at home as much as possible.

### **Religious Education (R.E)**

This term in Religious Education we will be looking at 'Islamic Rites of Passage.'

### **Physical Education (P.E)**

This term PE will be on **Tuesday and Wednesday**. Your children may come in your PE kits on these days. We will also be running for 15 minutes everyday so your children may wear trainers and more comfortable trousers or shorts along with their school T-shirt and jumper on these days.

If you have any questions regarding your child's progress, or you have any other questions please do not hesitate to come and ask. You can also message me via Dojo!

*Mrs Done (Class Teacher), Mr Magee (Teaching Assistant) Mrs Preval (Teaching Assistant)*
