22nd May 2017

Dear Parent/Carer,

The sun has finally made an appearance, the forecast is good and in anticipation of many more sunny days in the weeks ahead, I would like to remind parents that children need to have their sun hats (named please) with them in school each day.

As the children will be spending time outdoors whenever possible until we break for the summer holiday, they will also need to have sun cream applied. It would be very helpful if this could be applied before the children come to school as we are unable to apply the cream for the children. If your child can apply the cream themselves, please ensure you put their name on the container before sending it to school.

Many thanks for your co-operation in this matter.

Yours sincerely

Mrs J Hutchinson  
Head of School
